LATAR EXPRESSWAY – CLOSURE OF LANES FOR MAINTENANCE AND REMEDIAL WORKS

KUALA LUMPUR – The KL-Kuala Selangor Expressway (LATAR Expressway) today announced that it will be undertaking maintenance and remedial works at the mainlane of the expressway to its continuous improvement efforts to ensure the comfort, smooth and safe drive for LATAR’s users.

The works will be executed in stages beginning from **10 May 2012 until 31 May 2012** and there will be lanes closure at several sections along LATAR Expressway. Temporary traffic management and pre-warning signages of the traffic diversion will be implemented.

“During this period, we advise users to take precautions while driving by following the signboards and decreasing the speed. The motorists are advised to follow all traffic signages and instructions given by LATAR personnel while approaching the affected area. Motorists are urged to keep alert to our Variable Message Signages (VMS) which are located at the strategic areas along the expressway for any important announcement or notification.” said En Amran Amir, Chief Executive Officer of LATAR.

LATAR regrets any inconvenience caused to the public.

For more information, users can call LATAR line 03-6145 1515 or visit www.latar.com.my or www.facebook.com/latar-expressway.
